## ZEUS PURIFY™ CLEANING KIT

Cleanliness is next to Godliness! So keep your vaporizer God-like with the ZEUS Purify Cleaning Kit. The kit includes a bottle of ZEUS Purify Cleaning Solution perfect for glass, ceramic and acrylic, a pack of Bristle Pipe Cleaners, a pack of Grime Wipes, and a pack of Grime Sticks which are cotton swabs filled with ethyl alcohol to get into hard to reach places.

### PRODUCT DESCRIPTION:

The ZEUS Purify Cleaning Kit contains all the supplies you need to keep your vaporizer and its components clean and fresh. The kit includes the ZEUS Purify Cleaning Solution, a pack of 20 ZEUS Grime Sticks, a pack of 25 ZEUS Grime Wipes, and a pack of 20 ZEUS Bristle Pipe Cleaners. The ZEUS Purify Cleaning Solution is specially formulated to be tough on grime and build up, yet gentle on your valuable vaporizer parts as it is a concentrated aqueous cleaner containing detergents, chelating agents and alkaline builders, and does not contain alcohol, poisons, fumes and is non-flammable. While the cleaning solution helps work away the build up, the Bristle Pipe Cleaners make sure that anything remaining can easily be scrubbed away.

#### Highlights of this kit include:

- Alcohol free, earth-safe solution
- Pipe Cleaners are 100% cotton and highly absorbent

### COMPATIBILITY:

- Glass, ceramic, and plastic vaporizer components

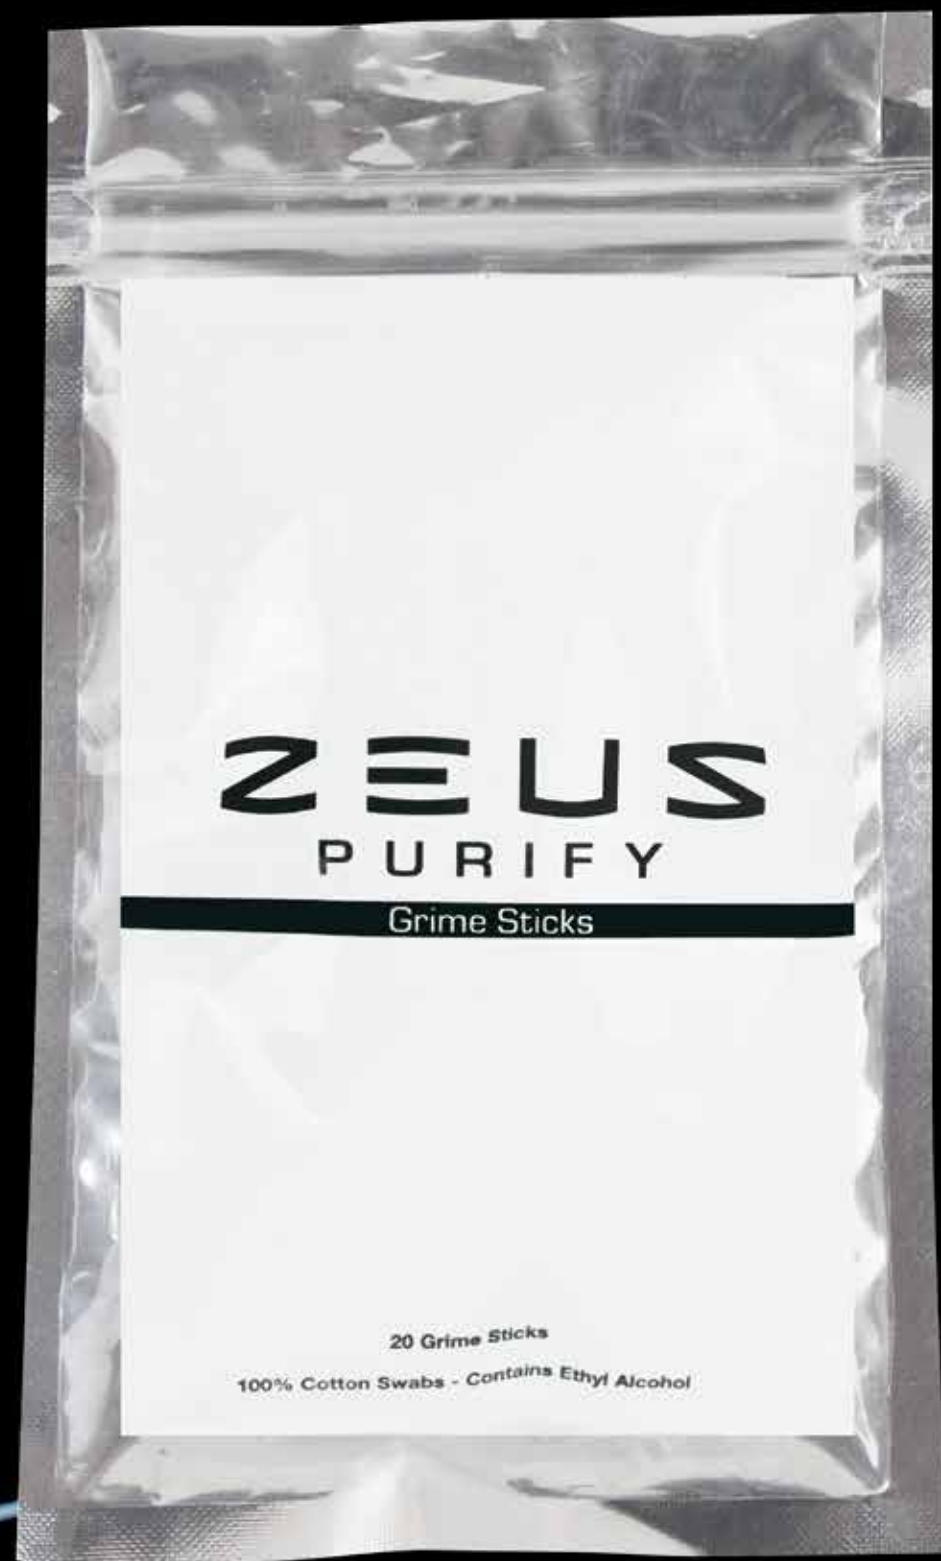

### PACKAGE CONTENTS:

- 1 x Bottle of ZEUS Purify Cleaning Solution

## ZEUS PURIFY™ GRIME STICKS

ZEUS Grime Sticks are cotton swabs that are filled with ethyl alcohol that can be used to clean various vaporizer components, most notably, heating chambers. Ethyl alcohol differs from traditionally used isopropyl alcohol as it is the same type of alcohol contained in alcoholic beverages.

### COMPATIBILITY:

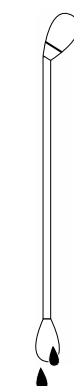

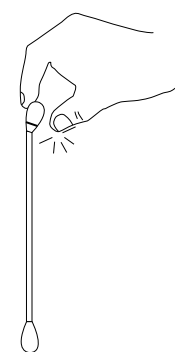

- Any vaporizer component that can be cleaned with ethyl alcohol (metal, glass and ceramic)

### PACKAGE CONTENTS:

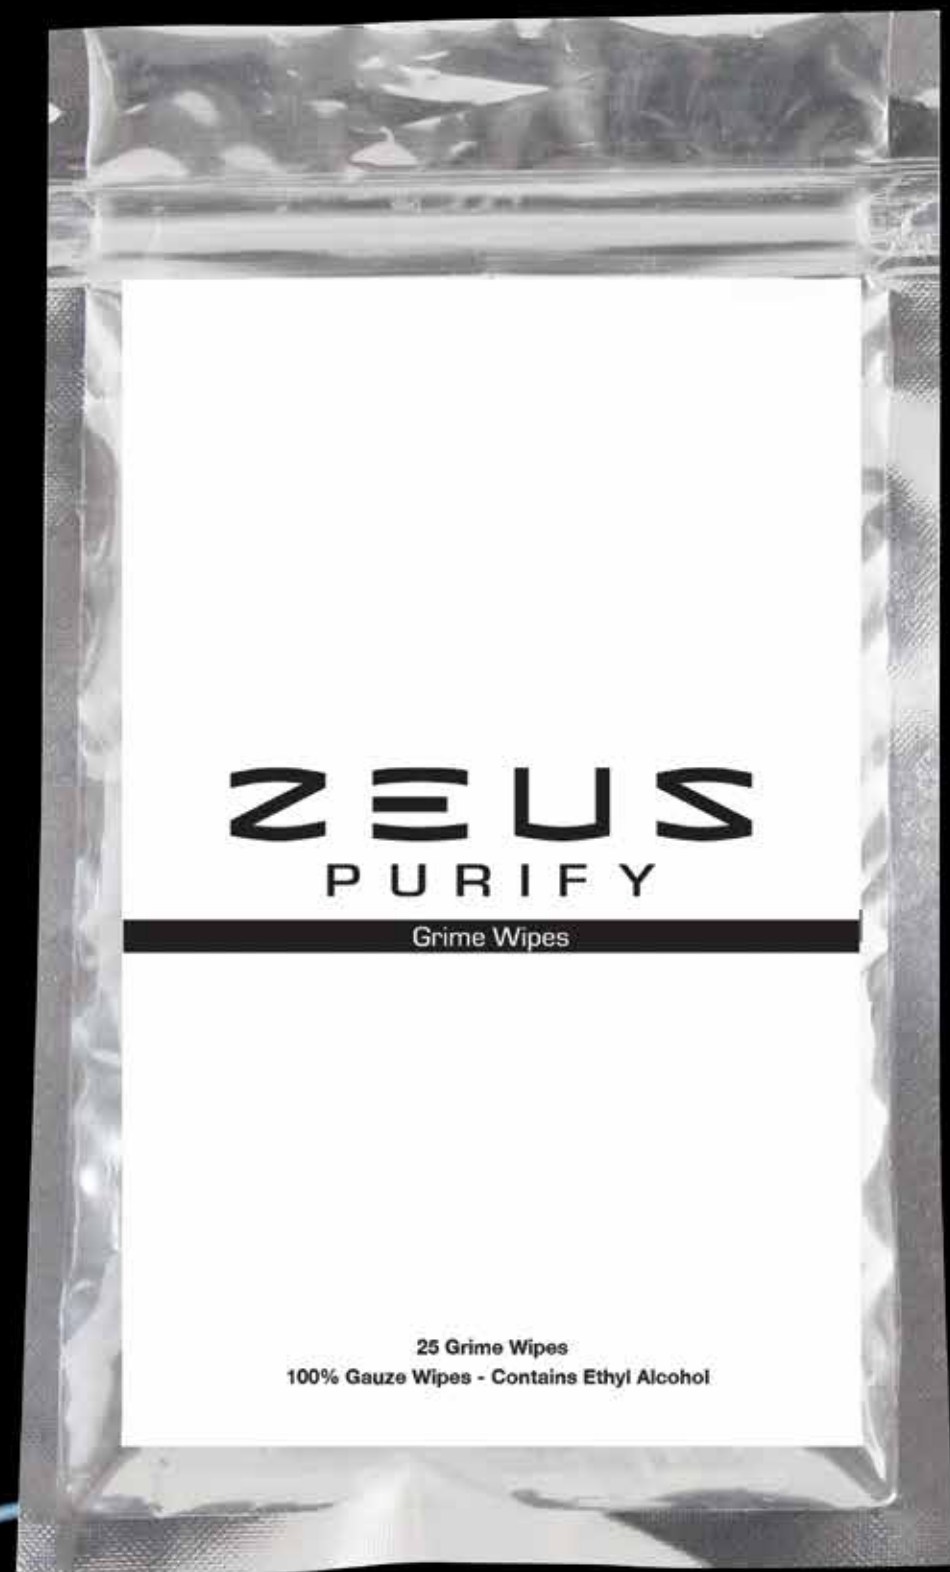

- 20 x Grime Sticks

### HOW TO USE:

1. Remove ZEUS Grime Stick from package.
2. Snap top of Grime Stick on the indicated line.
3. Let the alcohol drain to the swab's other end.
4. Use the alcohol-moistened end to clean the metal, glass or ceramic component of your vaporizer.
5. Discard Grime Stick.
6. Rinse external vaporizer component or heat up the vaporizer to remove excess ethyl alcohol particles in chamber.
7. Repeat as needed.
